Investment manager

Setanta Asset Management Limited

Investment management style

The Fund manager seeks to choose stocks within a global sector framework through bottom up analysis and value investment principals. Prior to purchase all stocks are screened to ensure they meet predefined ethical criteria. The key endeavour is the establishment of a value case for each investment, informed by conviction in the value-investment principles of the firm, while adhering to ethical criteria.

Fund objective

The Fund seeks to achieve long-term capital appreciation through socially responsible investing primarily in global equities.
